Finding and working with a **Officiant** you click with; one who understands the beauty and importance of your walk down the aisle is **EVERYTHING**.  
So, how do we create a ceremony worthy of that life-defining moment? Read on!

---

- ◆ An introductory meeting to get to know your story, your ceremony/wedding day wishes, explain our process, answer any questions, suggest and share our fav ceremony ideas and super helpful tips that we've learned from our years of experience.
- ◆ We're Here For You - Anytime, for any reason, we are here for you. Give us a call, send an email, or our fav... **TEXT US**.
- ◆ **DTAC** will write a personalized ceremony script reflecting everything we learned about YOUR story, requested ceremony components, readings, and more. Your ceremony script will be emailed to you/the couple, approximately one week prior to the event date, giving you the opportunity to request any changes.
- ◆ Vendors Checklist- **DTAC** will arrive 30 minutes (or more if necessary) prior to the ceremony start time. We will run through a pre-ceremony checklist with your vendors to ensure everything is perfect and we're all on the same page. Such as, confirm the order & timing of ceremony music. Confirm the sound system provided for the ceremony is set, and do a pre-ceremony sound-check. Inform your photographer/videographer of ceremony photo worthy moments... and more.
- ◆ Procession/Order of Go - It's time to get married!!! **DTAC** will make sure all walking in the processional are happy, excited & ready to walk down the aisle!
- ◆ Officiate Ceremony. - obviously.... 🤔
- ◆ Let's Make This Legal - All Things Marriage License
  - ◆ **DTAC** will guide and instruct you on how, when & where to apply for your marriage license.
  - ◆ **DTAC** will complete, sign & submit your marriage license to the necessary county office for recording.
  - ◆ Changing your name in marriage? **DTAC** will assist you with the (somewhat confusing) process of changing your name on driver's license, social security card, & passport.
